Victims of Head-on Bayshore Collision

Jacob J. Reis, 418 Standish St., Redwood City (left), badly injured when his automobile collided with another car on Bayshore Hwy. in San Mateo, awaits an ambulance, while his wife, Mary (right), has already succumbed from injuries suffered in the accident. The right photograph shows the battered Reis machine which, police report, was totally demolished. (Tribune photos)

R.C. Woman, Two Others Boost Toll

Three persons, including a Redwood City woman, died in weekend traffic accidents in San Carlos, San Mateo and San Bruno. Their deaths boosted the county's 1946 accident toll to 13 dead.

Mrs. Mary L. Reis, 27, 418 Standish St., Redwood City, was dead on arrival at Mills Memorial Hospital at 1 p.m. Sunday following a head-on collision on Bayshore Hwy., near College Ave., San Mateo.

Lionel M. Maurice, 67, retired, was killed instantly when his automobile was hit broadside by a northbound passenger train at the Holly St. crossing in San Carlos.

Roy Vice, 47, Stockton construction worker, died at South San Francisco Hospital Sunday at 10 p.m., 24 hours after he was struck by a car on El Camino Real in San Bruno.

Mrs. Reis was a passenger in a southbound car driven by her husband, Jacob, 34, when the car crashed head-on with one driven by Maximo C. Alafriz, 45, of 626 North Sixth St., San Jose.

Alafriz, who suffered internal chest injuries, was booked on a technical charge of manslaughter by San Mateo police before he was transferred to Santa Clara County Hospital from Mills Memorial Hospital.

Reis suffered lacerations of the face, hands, knees and possible broken ribs, and was in "fair" condition at Mills Memorial Hospital Monday.

Guillermo Almojuela, 54, of 665 North Sixth St., San Jose, passenger in Alafriz' car, suffered a possible fractured shoulder, broken right hand finger and other injuries. He was also moved to the Santa Clara Hospital.

Police said both cars were apparently straddling the double line at the time of the impact, and that the Reis car was knocked 30 feet by force of the collision. The dead woman's body was removed to Layng & Tinney Funeral Home.

Mr. Reis was employed as a bookkeeping machine operator in the county engineer's office.

The crash was the second fatal automobile accident in San Mateo this year.

Mr. Maurice had just left the home of his stepson, Charles Blake, 917 Walnut St., San Carlos, when he drove onto the track in front of the train at 5 p.m.

His demolished sedan was still on the front of the engine when the train stopped 1200 feet north of place of impact, police said.

His mutilated body, stripped of all clothing but his shorts, was in the middle of the track 260 feet from the crossing, they declared.

Mr. Maurice, whose home address was 374 Grove St., San Francisco, slowed down for the crossing but did not stop, although wig-wag signals were on, four witnesses told police. Blake told officers his stepfather had left his home early in order to return to the city before dark.

He was the third traffic fatality in San Carlos since Jan. 1, and was the second to die under the wheels of a train there, this year.

His body was removed to Layng and Tinney Funeral Home, but funeral services will be in charge of Halstead Co. in San Francisco. Two daughters survive him in Massachusetts.

Mr. Vice walked into the path of a car driven by Aubrey B. Arthur, 24, 901 Berkeley Ave., Menlo Park, Saturday night, San Bruno police said.

He was taken to South San Francisco Hospital where he died as a result of head injuries.

The victim, first to die in a traffic accident in San Bruno this year, had been visiting friends with his wife, police said.

Arthur was not held by police.

Board Votes Ambulance Drivers

The San Mateo County Board of Supervisors Tuesday afternoon approved the request of County Executive Frederick Peterson for five additional ambulance drivers to operate the countywide 24-hour ambulance service.

Peterson, in one of his infrequent appearances at a supervisors' meeting, told the board the present manpower was inadequate, declaring that sometimes the ambulance drivers have to work 16 and 18 hours a day.

Supervisor Alvin S. Hatch objected to the additional ambulance drivers, stating that the county should supplement its service with private service. He voted in favor of Peterson's request, however.

Earlier in the day, Atty. Joseph F. O'Malley presented to the board a statement of qualifications of Walter M. Garber and George E. Thomas of the Ambulance Service of Palo Alto, which has made application to provide ambulance service to the county. The board still has the private service's application under advisement.

Peterson said money for the additional ambulance drivers could come from the unspent balances in the salary fund of the health department.

HALT FIREPLACE BLAZE

Redwood City firemen were called to the Thomas Skinner home at 646 Ruby St. Monday night at 8 o'clock to extinguish a blaze in timbers under the fireplace. Damage was small, firemen said.

Scott to Remain With Port Board

Edmund Scott, judge designate of San Mateo County Superior Court Dept. 2, Wednesday denied reports that he would resign as chairman of the Redwood City Board of Port Commissioners.

"I plan to stay with the post until my term expires," he said. Expiration is July 1, 1947.

He added he saw no legal necessity of resigning, and pointed out the port commission post was a city one, the judgeship a county one.

Press Association Installs G. E. Dunn

George E. Dunn, dean of Peninsula newspapermen and publisher of the Half Moon Bay Review, Monday was installed president of the San Mateo County Press Assn. He succeeds Mrs. Anne Brubaker of the San Mateo Times. J. Hart Clinton, also of the San Mateo Times, was installing officer. Other officers of the association are R. L. Junior Chamber Studies Plans For Annual Harbor Day Fete

Possibility that Redwood City will have an annual Harbor Day was seen Wednesday following a meeting of the Junior Chamber of Commerce directors Tuesday night, at which time the group voted to study the proposal to ascertain whether or not such an activity could be held here.

Pres. John Mack, who was host to the directors at his home during the meeting, named the following committee to work out details for the proposed Harbor Day and submit its findings at a conference to be held next Wednesday, preceding the regular monthly meeting of the group: Richard Harris, Sid Hinman, John Ryan, Fred Silvey, Claude Martin, William Morrissey, Paul Perrin and Dave Schutz.

The group accepted a proposal that the tentative Redwood City Harbor Day would culminate a week of activity in this area that would begin officially a week earlier with the annual San Francisco Harbor Day.

Mack appointed Harris to be the junior chamber's representative on the American Red Cross committee in Redwood City to conduct the collections for the group during the annual drive.

Silvey, who is vice president of the local organization, has been named Redwood City's delegate to the state meeting of the junior chamber to be held this weekend in Santa Barbara.

Plans were also developed for a Night in Monte Carlo. Final arrangements were to be decided at the meeting Wednesday.

Morrissey was invited to speak to the club at its regular meeting on the elementary school bond issue.

Blanchietti Heads Menlo Chamber

Menlo Park Chamber of Commerce Tuesday elected Anthony Blanchietti, assistant manager of the local Bank of America, to the office of president for the current year.

Mr. Blanchietti, following his election, announced plans for the reorganization of the chamber of commerce, and called a meeting for next Tuesday at 8 p.m. in the city hall.

The new president also appointed a membership committee and said that he hoped to establish an office for his organization in the city hall.

Three Hurt In County Accidents

Two San Bruno men and a Redwood City woman were in Community Hospital Wednesday as the result of traffic accidents.

The men, Cecil E. Newton, 22, and LaVell J. Labrum, 21, both of 521 Third Ave., San Bruno, were riding a motorcycle when a car struck the left side of the vehicle at 25th Ave. and El Camino Real, San Mateo, Tuesday at 10:23 p.m., police said.

Rose Mary Hinchey, 59, 120 40th Ave., San Mateo, was driver of the automobile which was making a U-turn at the time.

Newton, driver of the motorcycle, suffered a compound fracture of the left leg, forehead laceration and abrasions and contusions. His condition is "fair."

Labrum, his passenger, suffered multiple fractures of his left leg, abrasions and contusions. Hospital attendants pointed out he was hospitalized for three months last year as the result of a motorcycle accident on La Honda Rd. At that time, he suffered a right leg fracture.

Police said the motorcycle skidded more than 50 feet from the point of impact.

Mrs. John H. D. Peters, 66, of 136 Hudson St., Redwood City, was taken to Community Hospital for treatment of knee lacerations, chest injuries and a cut lip following a three-car collision on Bayshore Hwy. at Brisbane.

She was a passenger in a car driven by her husband, a realtor.

Other drivers were Herbert E. Anderson, 31, 276 Visitacion Ave., Brisbane, and William H. Denton, 55, 227 Klamath St., Brisbane.

Mrs. Velma Denton, 66, suffered minor injuries in the crash, California Highway Patrol officers said.

Adobe Ranch Sold to Group For Housing

Property in San Pedro Valley on the Coastside on which the famed "Old Adobe" is situated has been sold and will be subdivided into a housing project, Ray T. Higgins, Sharp Park real estate broker, has reported.

The property was bought by the Coast Land Co. of San Francisco from Baroness Margaret Kirkpatrick of Boston, widow of Gen. E. Kirkpatrick, for a reported price of $45,000.

The "Old Adobe," one of the most interesting from an historical point of view of any building in Northern California, was founded by Don Francisco Sanchez, a soldier of the second Portola Expedition in 1770.

In 1842 the "Old Adobe" was rebuilt by Don Francisco Sanchez, a descendant of the first Don Francisco, on the same walls as the ancient structure.

The late General Kirkpatrick restored it in the late '80s.

Higgins said he did not know what the new owners plan to do with the building.

Safety Commission Offers Traffic Plan

The San Mateo County Traffic Safety Commission Tuesday presented to the board of supervisors eight recommendations for the improvement of traffic safety in this county.

The recommendations:

1. Additional highway patrolmen.
2. Lowering of the state speed limit.
3. Appointment of a traffic safety engineer to work with the traffic commission.
4. Special traffic safety warning signs.
5. A central traffic court.
6. Traffic school for violators.
7. Police protection for school children. (Part-time policemen for crossings in heavy traffic.)
8. Stricter enforcement of vehicles passing school buses when they are stopped.

Supervisor Chmn. Edward R. McDonald voiced his objection to hiring an outside expert to make a survey of the county to make safety recommendations, stating that the county already has a lot of facilities to make such a survey. A proposal recently was made to the supervisors that they hire someone to make a survey, at a cost of approximately $5000.

REAPPOINTED TO CSC

William Wilson of Half Moon Bay, manager of the Princeton Packs, Tuesday was reappointed by the board of supervisors as a member of the County Civil Service Commission. He had been serving an unexpired term.

Pietro Ezio Paoli, 48, Half Moon Bay farmer, was free Wednesday on $5000 bail following his arrest Tuesday afternoon by Chief Dep. Sheriff Walter Moore and FBI Agent John Cost on a charge of aiding in the escape of three Italian prisoners of war.

Severino Puccinelli, 33, a San Francisco cook, also was arrested by the FBI on the same charge.

Jurists Receive Wage Increases

Approval for raises in salaries of three justices of the peace of class A justice courts from $3600 to $4200 a year was given by the board of supervisors Tuesday afternoon.

The justices affected are Edward I. McAuliffe, Township 3; John J. Fahey, Township 1, and Hugh F. Mullin Jr., Township 5.

The resolution provides that if the jobs are made full time, the salary would be $7200 a year. All three jobs at present are part-time positions.

Menlo Firemen Halt Taxicab Blaze

Menlo Park firemen extinguished a blazing seat cushion in a Redwood City Yellow Cab last Saturday after the cab driver had stopped in front of the firehouse to report the blaze.

Planning to Build this Summer?

When you are making plans for a new home or for the remodelling of your present home, be "fussy" about the capacity of your gas furnace, and the location of the heat outlets, the cold-air return and the wall thermostat. This is most important.

P. G. & E. RECOMMENDS

If you are planning a new home or modernizing your present one and you need help on house heating, come in and consult with one of our gas heating specialists. He will work with you, your architect and heating contractor to help you get a heating installation tailored to your home and your pocketbook. Use this Free Service. It will save you time, worry and money.

You will want your home comfortably warm on the chilly days of the cold-peak weather season. You will want plenty of heat, rapidly circulated for quick comfort in every room. You will get this from an automatic, forced-air Gas Heating System that is properly installed, and when you use such a heating plant, you will save money every heating hour.

When cost estimates come in and you look them over, choose the heating system that is engineered to do a first-class job of heating your home. What you might save by "skimping", you will pay for later on with less heating comfort, quickly worn-out equipment and higher fuel bills.

Remember, a furnace will produce only so much heat; it cannot be forced beyond the capacity its builders gave it.

News of Commuters

BY JOE CABOOSE

Evidence that the peak of war-born traffic for the Southern Pacific had been reached and passed, insofar as its Peninsula commuter service was concerned, was furnished during the past week when the 7:41, most populous morning train out of Redwood, arrived at Third & Townsend several mornings with eight coaches and a scattering of vacant seats.

★ ★ ★

This is not to imply there were not people standing. During five years of war commuters had become so used to standing that many still do so from force of habit or because they are unaware that conditions have changed and that a hike to the rear coaches might now produce the desired result—a seat.

★ ★ ★

Conscious of this situation, the S.P. had a personable attendant go through the forward coaches each morning, reminding standees that conditions had changed, that the train carried eight coaches and that there would be seats for all "if they would kindly move to the rear of the train."

★ ★ ★

People are perverse at times. Very few of the standees accepted the invitation to seats. Perhaps it was because they were already half way into town and they didn't want to walk all the way back and then forward again. We believe the situation will eventually correct itself. Knowing seats are available in the rear, more people will get aboard rear coaches. Anyhow, we're grateful to the S.P. for its efforts in our behalf.

★ ★ ★

Incidentally, Jim McDonough, an S.P. traffic official, will address the Commuters Club under the auspices of the Transportation Committee at the club's regular monthly dinner meeting, Thursday, Feb. 14, at Grace and Pierre's. And we take this occasion to remind you forgetful Commuters this is Valentine's Day and if you want to get out that night, you'd better not forget to bring the little woman a Valentine. Say a half-dozen pair of nylons.

★ ★ ★

Speaking of the little woman reminds us of Bill Curran's favorite joke this week. The doctor told a husband his wife was losing her mind. "I'm not surprised," said the husband, "every day for months she's been giving me a piece of it." That was the same couple who had been going around together ever since they met in a revolving door. (That's a joke, son!)

★ ★ ★

What's new? We get it straight from one of our most reliable operatives, that Councilman Harold Anderson will not be a candidate for re-election. We get it just as straight that Louie Dematteis will be a candidate for the council. We were chagrined when a prominent citizen asked whom the Commuters were going to run. Apparently he had not heard that the Commuters are not in politics.

★ ★ ★

Jack Welsh, irked by the butter shortage, has suggested that the Commuters Club buy several cows and get Charley Hellwig or some one of our rural landed gentry to stable them, and produce our own butter. We laughed at the idea, until our milkman announced that his dairy would no longer have butter to sell. Now it's a mad scramble to get this essential food for our growing children. It ain't funny. And it's high time we, the people, forced the politicians to do something about it.

★ ★ ★

Walter Harden says the crying need of us Commuters, next to having more cardboards on the morning trains, is to have a police officer at the depot to direct traffic when the 5:21 gets in from the city. . . . President Brizee has a letter from the Red Cross announcing that the old USO quarters here will be kept open on a limited basis for the convenience of service men still in the area, and asking if the Commuters will continue as hosts on the usual Saturday nights. . . . Guido Simoni's boy, Dick, is desperately ill of pneumonia, and is in an oxygen tent at Palo Alto Hospital. Let's all pray that this fine boy comes through the crisis okay!

★ ★ ★

The directors will meet tomorrow (Tuesday) night at Uncle Tom Cutting's cabin on Myrtle St. Important item of business on the agenda, we understand, concerns final plans for the big "sons and daughters" night at Sequoia Cafeteria in March. Yep, that's on the agenda, folks; Commuters' sons and daughters! It's something new in club socials. Everybody in the family invited except momma. We figure the little woman deserves one night in the year when she is absolutely free of responsibility to cook dinner for anyone . . . except herself.

La Honda Purchase Plan Causes Row

County Engineer M. A. Grant and County Executive Frederick Peterson clashed Tuesday afternoon in a meeting of the board of supervisors over proposed purchase of six lots at La Honda for $6000 to build a maintenance yard for the engineer's department.

Peterson pointed to the county charter, which he stated gave him the right to approve expenditures for county building. Grant had taken the matter direct to the supervisors.

Sequoia Cagers Set Record

Scores of 88 points for one team are common in track and swimming, but not in basketball. However, Sequoia High School's varsity basketball team did just that Tuesday afternoon in a game with Jefferson High School at Daly City. Coach Ramon Dimick's team trounced the Jefferson five by a score of 88 to 14 for a new Peninsula Athletic League scoring record. Details will be found on page 7.

It's Easy to Bake a Cake ... Here's How

One of my pet cakes (and a favorite with my family, too) can be mixed in practically one operation—

JIFFY CAKE

1¾ cups all-purpose flour
2½ tsps. baking powder
¼ tsp. salt
1 cup sugar
⅔ cup milk
⅓ cup shortening
1 egg
1 tsp. vanilla

Sift and measure flour; sift again into large bowl with baking powder, salt and sugar. Add milk, shortening, unbeaten egg and flavoring. Beat with rotary beater for 2 to 3 minutes or until batter is smooth. Pour into well-greased square cake pan (8 x 8 x 2). Bake in moderate oven (375° F.) for 40 minutes or until done. Frost, if desired. Serve hot or cold. Serves 6.

● Or Try These Variations:

SPANISH SPICE CAKE

Add 1 tsp. cinnamon, ½ tsp. nutmeg and ¼ tsp. cloves, sifting well with flour and baking powder.

JIFFY CHOCOLATE CAKE

Add 2 one-ounce cakes unsweetened chocolate, melted and cooled to cake batter.

● Here Are Two Quickie Frosting Ideas:

BAKED ON FROSTING

Sprinkle top of cake batter before baking with 2 one-ounce cakes or ½ cup finely grated sweet chocolate and ½ cup finely slivered almonds.

BROILED FROSTING

Spread top of baked cake with mixture made by creaming 4 tbsps. of butter or margarine, ½ cup light corn syrup, and ¾ cup shredded cocoanut or chopped nuts. Broil until icing bubbles and becomes golden brown.
